

17th March 2020

Dear parents,

In view of concerns regarding the Corona virus we have made the decision to cancel this years Easter bonnet parade on April 1st 2020.

At present we are planning on keeping Ladybirds open and would like to reassure you that we are taking all necessary precautions to keep your children and staff safe. We always strive to maintain the highest possible standards of cleanliness and hygiene and we are now taking additional precautionary measures to minimise any risks.

Please can all children when entering the building in the mornings be taken straight to the wash basins where a member of staff will supervise hand washing.

Can we also ask that children should stay at home if they are unwell with a new, continuous cough or a high temperature to avoid spreading infection to others.

If your child becomes unwell on site with a new, continuous cough or a high temperature they will be sent home.

Please can you ensure your child has a warm coat at Ladybirds and wellington boots. We are trying to spend as much time as possible in the garden, school field or playground to minimise close contact.

If you have any concerns please don't hesitate to contact me. We will keep you updated if the situation changes.

Kind regards

Carol Childs

Ladybirds Pre-school Manager
